

EDUCATION

•Indira Gandhi Delhi Technical University for Women	Delhi,India
B.Tech(CSE) CGPA-7.80	2022-2026
•Sant Gyaneshwar Model School	Delhi,India
Senior Secondary,Percentage:88.8	2021-2022
•Dyal Singh Public School	Karnal,Haryana
Secondary,Percentage: 94	2019-2020

EXPERIENCE

•Tripple One Solutions	June-July 2025
Web Development Internship	Online
– Completed a 2-month web development internship, building a scalable web application with efficient API integration under guidance from senior developers.	
•Vinyasa Summer of Code (VSOC)	June-July 2024
Project Admin	Online
– Collaborated with a diverse community, enhancing code quality and implementing new features.	

PERSONAL PROJECTS

•SwaDeshAI	Project Link
AI Health Assistant ChatBot	
– Engineered a multilingual AI health chatbot with HTML5, Tailwind CSS, Cohere API, JavaScript, React.js, Vercel, Git, GitHub. Provides real-time voice-based symptom analysis and local health guidance without storing user data. Promotes accessible healthcare support, especially in rural and semi-urban areas.	
•Helping Hands	Project Link
Job connection portal	
– Architected a job portal using MongoDB, Express.js, Node.js, React.js, enabling connection between semi-skilled workers and potential employers. Implemented optimized search and matching logic using efficient data structures. Designed modular backend APIs to support scalability and easy feature extensions.	
•Care Circle	Project Link
Caregiver support platform	
– Developed a responsive platform using React.js, JavaScript, CSS to assist families with conditions like ADHD. Designed secure, scalable backend APIs for efficient healthcare data access and retrieval. Optimized API calls and component rendering to ensure smooth performance under concurrent usage.	

TECHNICAL SKILLS

Programming	Core CS	C,C++, JavaScript, HTML5, CSS3, Operating System, OOPs, DBMS, SQL
Frameworks & Libraries		React.js, Node.js, Express.js, Cohere API
Tools & P	latforms	Git, GitHub, VS Code, Postman, MongoDB, Vercel, CodePen, Overleaf, Landbot.io
Design & Soft Skills		Figma, Canva, Problem-Solving, Creative Thinking, Event Management, Team Work

ACHIEVEMENTS

- Semi-finalist, Meesho-ScriptedByHer’25, a national-level women-centric hackathon
- Semi-finalist, Flipkart Grid 7.0, Product Engineering track
- Qualified, Prototyping Stage- Cisco Incubator Ideathon (2024)
- Winner, DevSprint’21 Cohort - organized by Protégé, IGDTUW
- Top 6 Finalist, Hack to Future by MIT Jaipur- selected among 500+ teams
- Top 18, WIEHack5.0- 36 hour hackathon by BVCOE,Delhi
- Top 30, Smart India Hackathon (SIH)- Internal Round (2023)
